Is solar power a good album?

'Solar Power', though, doesn't feel like a record that will suffer that same fate - this is an album that grows in quiet stature with every listen, new nuggets of wisdom making their way to the surface, peeking through its beautiful instrumentation that weaves a stunning, leafy tapestry.

What's new in Lorde's 'solar power' album?

The New Zealand star's third album continues her winning streak, as she blazes a trail through the pop landscape with a beautiful paean to nature. Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics.

What makes solar power different from 'Pure Heroine' and 'melodrama'?

'Solar Power' reflects Lorde pulling from Earth not just lyrically, but musically too. Where 'Pure Heroine' and 'Melodrama' were filled with euphoric synths and crisp digital sounds, this album peels away all our technological advances and relies on more organic sounds.

Is 'solar power' a new chapter in Lorde's career?

A new sun-loving Lorde tries to find her zen on album number three. Like Lana Del Rey and Taylor Swift before her, the New Zealand star embraces mellowness on a third album shaded by climate anxiety and a rejection of celebrity. Solar Power seems like the start of a new chapter in Lorde's career.
