The advertisement features a white background with a central image of a tall, grey ESS Energy Storage System (ESS) unit. The unit has a black top and bottom, and a green vertical stripe running down its center. The ESS logo is visible on the right side of the unit. Above the unit, there are four flags: Germany, the European Union, the United States, and the United Kingdom. To the left of the unit, there is a list of specifications in red and black text, each preceded by a red header. The specifications include: Product Model (HJ-ESS-215A(100KW/215KWh) and HJ-ESS-115A(50KW 115KWh)), Dimensions (1600*1280*2200mm and 1600*1200*2000mm), Rated Battery Capacity (215KWH/115KWH), and Battery Cooling Method (Air Cooled/Liquid Cooled). At the bottom of the unit, there are two yellow warning triangles with exclamation marks.
