

Solid container to smuggle booze on cruise

What happens if you get caught smuggling alcohol on a cruise?

If the cruise line catches you smuggling alcohol on the ship, the prohibited items are confiscated by security. Cruise lines have the right to remove prohibited items, and they don't have to give them back. Getting caught sneaking drinks on board a cruise is a great way to lose money on wasted alcohol.

Can a rum runner smuggle alcohol on a cruise ship?

Reading the cruise forums, you'll find hundreds of passengers who've succeeded in using rum runners to sneak alcohol on cruise ships. A rum runner is a small bag or plastic flask container to smuggle alcohol on cruise ships. The liquid appears dark on an X-ray. And dark bottle shapes are easy to spot.

Can You sneak alcohol on a cruise ship?

Sneaking alcohol onto a cruise ship comes with inherent risks that you should be aware of before making a decision. If you get caught with unauthorized alcohol, the cruise line may confiscate it, leaving you without your favorite beverages for the trip.

Can You smuggle booze on a cruise?

If you'd like another virtually foolproof way to smuggle booze on a cruise, then tampon flasks may be it. These fake re-sealable tampon wrappers contain refillable mini flasks. Each one can hold one shot of alcohol. Even if someone had a really good rummage through your luggage, they'd be unlikely to open a tampon to check in there.

How do you keep liquor from spilling on a cruise ship?

Utilize disguise techniques or specialty containers when sneaking liquor onto a cruise ship to avoid detection during security checks. Secure liquor bottles effectively in resealable plastic bags or with protective covers when packing to prevent spills or breakage.

Can you sell alcohol on a cruise?

Selling drinks on board is one of the ways that cruise lines cover their costs and if everyone tried to cheat the system by sneaking alcohol on board they would inevitably have to put up the ticket prices. Plus, getting caught with alcohol is embarrassing.
