

Is solid power (SLDP) a good stock to buy?

Solid Power (SLDP -2.21%) was hardly looking like a powerful stock on Monday. The solid-state battery developer's price fell by nearly 10% on news of a departure from the company's C-suite. That decline stood in marked contrast to the performance of the S&P 500 index, which crept 0.1% higher on the day.

Why did solid power shares pop today?

Solid Power shares popped today after fellow solid-state battery maker QuantumScape (QS -1.74%) announced some game-changing news. As of 2:45 p.m. ET, Solid Power shares were higher by 11.2%. That move was dwarfed, however, by the 47% spike in QuantumScape shares at that time.

How did solid power perform in 2024?

Solid Power delivered \$20.1 million in revenue during 2024, an increase of \$2.7 million compared to 2023. This increase is driven primarily by our performance on the SK On Agreements, with strong execution on key steps in the transfer of our technology and major milestones connected to our line installation agreement.

Will solid power achieve its expectations?

Solid Power gives no assurance that it will achieve its expectations. Solid Power, Inc. (Nasdaq: SLDP), a leading developer of solid-state battery technology, today announced its operational and financial results for the full year 2024 and provided its outlook and objectives for 2025.

Who is solid power (SLDP)?

Solid Power (\$SLDP) is a Colorado-based battery developer specializing in solid-state, sulfide-based electrolyte technology with hopes to bring scalable cells to the EV world at or near cost parity to current lithium-ion batteries. We have covered the company since 2017 when BMW Group first invested in its technology.

Is solid power a good stock to buy today?

Solid Power is still in the developmental phase and has not commercialized its product yet. Consequently, the stock's sell-off today is not based on anything material to the company. For those interested in powering their portfolios with Solid Power, today's sell-off provides a great opportunity.
