

Is solar power a good album?

"Solar Power" makes a lot more sense now that it's grounded by the added dimensions of all the other songs on the album. Even though its slightly shallow sound is always a little at risk of fading into the background, Solar Power's lead single serves as a fun, nourishing look into the emotional high points of the album.

What is the most forgettable song on solar power?

Judging them in their entirety, here is my ranking of every song on the standard version of "Solar Power." #12 Dominoes (Track 8) "Dominoes" is the most forgettable track on this album. It's a nice song, but not the lyrics aren't particularly enticing and the music itself is a tad boring in comparison to the rest of the songs.
