

Where can I find a Tesla charging station?

Currently,if you are looking for a charging station in the navigation system inside Tesla vehicles,you will only see Tesla charging stations. However,Tesla's Supercharger network is extensive and considered the best by most.

Where can I Stay charged with a Tesla Supercharger?

Stay charged anywhere you want to go by plugging into the Tesla Supercharger network along your route.

How do I charge my Tesla?

To charge your Tesla,switch on your car and find the Supercharger icon on the navigation screen. It looks like a lightning bolt and is located in the bottom right corner for left-hand drive cars,and the bottom left for right-hand drive cars.

Where can I find the Tesla Supercharger Map?

To find a Tesla Supercharger,you can use the Supercharger Map on Tesla's website. It's not as convenient as doing it in your car,but it's still pretty easy to use. Just click this link to open the map,and type your location into the search bar to see where your nearest Supercharger locations are.

Is this Tesla charging station a car wash?

This Tesla charging station at the Shell gas station is not just a charging station,but also a battery swap station. It was previously a car wash,as shown in construction pictures. Here are a couple of those pictures:

Will Tesla allow third-party charging stations?

Tesla is going to allow third-party charging stations on its navigation system. However,they will need to meet certain criteria. Third-party charging stations have improved lately and grown significantly,especially in Europe,where Tesla uses the CCS connector like all other charging networks.
