

How poor is Titan Solar's customer service?

Titan Solar's customer service is horrible. They take no responsibility for anything. We will be filing complaints with the Public Utilities Commission and the Nevada State Contractor Board. We were told we would not have a solar payment the same month as our last power bill, but instead, we had to pay an \$869.00 power bill and our solar payment.

Who is Titan Solar Power?

Titan Solar Power, founded in March 2013 in Mesa, Arizona, has grown to become one of the fastest growing solar installers in the southwestern United States. It plans to expand across the South and Midwest regions of the country.

What happened to Titan solar power?

Titan Solar Power, a large US residential solar installer, unexpectedly ceased operations on June 13, 2024. The Chandler-based solar company, founded in 2013, filed for Chapter 7 bankruptcy protection on June 20. The company reported having between 5,001 to 10,000 creditors. Kyle Beddome is listed as the company's business owner.
