

Who is Titan solar power?

Founded in 2013, Titan Solar Power quickly rose to become a leading provider of solar energy systems by delivering high-quality installations and customer service. They offered a wide range of services, including solar system design, installation, and maintenance for residential and commercial properties.

What happened to Titan solar power?

As a result, Titan Solar Power announced it could no longer continue operations and would be closing its doors effective immediately. This closure serves as a reminder of the risks associated with solar investments and the importance of long-term warranty protections, such as the Solar Insure 30-Year Warranty, to mitigate such unforeseen events.

What if I need assistance with MY Titan solar power energy system?

If you are in need of assistance with your existing Titan Solar Power energy system, contact Forme Solar at 714-694-2262. Our team is equipped to handle solar repairs, maintenance, and expansions, ensuring that your solar panel system continues to deliver reliable performance for years to come.

Does Titan sell solar?

With tens of thousands of residential solar installations across 16 states, Titan established itself as a formidable player in the solar industry, largely through its extensive Solar Dealer program. This approach involved partnering with numerous solar sales organizations that sold solar systems on Titan's behalf.

Why did Titan solar power restructure its operations in 2023?

They offered a wide range of services, including solar system design, installation, and maintenance for residential and commercial properties. However, in 2023, due to increased operational costs, labor shortages, and warranty claims, Titan Solar Power announced its decision to restructure its operations.
