Is Titan Solar Power a reputable company?

Titan Solar Power has an impressive list of awards and certifications. However, to further bolster its reputation, verified customer reviews would be helpful for prospective buyers to consider.

What is the email address to contact Titan Solar Power?

For any information or assistance, please reach out to [info@titansolarpower.com](mailto:info@titansolarpower.com). Thank you for visiting Titan Solar Power.

Does Titan solar power cover commercial solar installations?

Titan also covers commercial solar installations and provides solar monitoring. The company's high growth rate is partly due to the use of door-to-door salespeople, which has gotten Titan Solar Power into trouble with homeowners in numerous states.

How long does Titan solar power take to install?

The installation process can usually be done in a day, but there have been some customer complaints about Titan Solar Power taking longer and leaving gaps between workdays. Finally, Titan Solar Power will commission your system, at which point the panels should begin producing energy.

Does Titan solar have a warranty?

Titan does not offer its own warranty on products either, but all the solar equipment it installs comes with a manufacturer's warranty which will vary depending on the specific equipment and the producer. Most new panels have a 25-year warranty for damage and production, but some have a shorter coverage period.
