

Trail camera 12v solar auxiliary power pack

What is a 12V battery pack with solar panel?

Extend your trail cameras field life with HMEs 12V Battery pack with Solar Panel. This rugged weatherproof battery box contains a sealed 12V lead acid battery - ideal for extreme temperatures, and pre-attached solar panel for continual charging.

How do I extend my trail cameras field life?

Extend your trail cameras field life with HMEs 12V Battery pack with Solar Panel. This rugged weatherproof battery box contains a sealed 12V lead acid battery - ideal for extreme temperatures, and pre-attached solar panel for continual charging. Extend your trail cameras field life with HMEs 12V Battery pack with Solar Panel.

Can You charge a trail camera with a solar power pack?

The packs will eventually require their own charging, but you can easily do this whenever you check your trail camera for other reasons, like hunting or cleaning debris from your camera's view. With solar power packs, you have a near-infinite energy source for recharging your camera's batteries.
