

How do I find out if a charging station is nearby?

To find out if a charging station is nearby, use ChargeFinder's station page which shows relevant information like charging speed, outlet type, price, and location. Additionally, the "Food and Shopping Nearby" feature helps you find points of interest near the charging station.

Where can I find charging stations?

ChargeFinder is available as an app for iOS and Android. Specific city pages provide a good overview of charging stations in a particular city. Download the app from Apple App Store or Google Play. ChargeFinder will eventually also be available as apps in Apple CarPlay, Android Auto, and Android Automotive.

What if a station is missing from the charging map?

If a charging station is missing from the map, it is easy for anyone to add it. It is also possible to edit and update information on all existing stations.
