

Who is velocity solar?

Velocity Solar is a Solar Power Installation company that serves Greater Geelong, Bellarine Peninsula & The Surf Coast. Here are their reviews as submitted by visitors to SolarQuotes

Is velocity solar a good company?

Well done Velocity Solar. Velocity Solar installed a high quality PV system to our house at a competitive price and so far we cannot fault it. From the beginning Brad and Paul were honest, the communication was great and were able to answer all of our questions.

Does velocity solar offer free advice?

We offer free advice on panel cleaning and panel maintenance and are here for your solar journey, such as solar battery additions and electric vehicle chargers in the future. Meg Mappin from Victoria Would highly recommend Velocity Solar. Great advice and information at the start of the process.

Does velocity solar have my vote?

They have my vote! Solar simplified. Velocity Solar keeps it simple and easy! From start to finish, our customers experience a clear understanding of solar and the cost savings that solar provides.

Do you recommend velocity solar?

Velocity Solar's pricing also offers us a 12 month follow up inspection, system performance check and panel clean. I would highly recommend Velocity Solar for your PV system. (Who is this?) We haven't had it installed yet, so can't really comment fully.

Why should you choose velocity solar?

Velocity Solar offers quality PV systems that are installed to a high standard at a competitive price. Communication was great, once the install date was planned they arrived on time and on the date promised. Brad, Travers and Denise were all great to deal with, replying to emails and answering any questions I had.
