

How many EV charging stations are in Vermont?

Investments in Electric Vehicle Supply Equipment Since 2014, the State of Vermont has invested over \$3.5M in public EV charging stations in all 14 counties across the state including 41 fast charging stations and 89 Level 2 charging stations.

Where can I charge my EV in Vermont?

Park your EV in the shade during extreme heat. Avoid relying too heavily on fast charging, especially when it's hot or cold. In the past decade, Vermont's public EV charging stations have gone from a handful to 300. You can find Level 2 and DC Fast Chargers in every corner of the state.

Where can I charge my car in Vermont?

Even with range distances constantly improving in the vehicles, when you need to charge on the go, you can make use of Vermont's network of over 300 charging stations (the most per capita in America). Fast chargers and level 1 and 2 chargers are located all over the state in convenient locations.

Should you buy an electric car in Vermont?

A major benefit of owning an electric vehicle (EV) is that you can charge it overnight, at home. This is how 90 percent of electric-car charging is done, and it's as easy as plugging in a cell phone. When you do need to charge on the go, you can make use of Vermont's network of 300 charging stations (the most per capita in America).

How many EV charging stations in Connecticut?

Connecticut has over 360 public EV charging stations... find your nearest EV charging station with the US Department of Energy's interactive map or smartphone app for iOS or Android! Are you at a charging station and it's not working? Follow these steps to report a broken charger! CT is Range Confident!

Are EV charging stations free?

Most owners opt to install a Level 2 charging station, which recharges up to four times faster (10-20 miles per hour), and some electric utilities will give you one for free. EV charging equipment is safe for indoor and outdoor use. As mentioned above, you'll receive a Level 1 charger with your vehicle at no additional cost.
