

How long do personal watercraft batteries last?

Personal watercraft batteries tend to last 3-5 years. When the time comes to replace your Jet Ski battery or another PWC battery, begin by checking whether you need a conventional flooded design or a sealed AGM battery. Some personal watercrafts can use either, while others are built to fit one specific type.

Does battery lookup carry AGM PWC / Jet Ski batteries?

Battery Lookup carries premium AGM PWC / Jet Ski battery replacements to safely power-up your personal watercraft for every conceivable make and model, including but not limited to Sea Doo, Waverunner, and other Jet Ski craft. Battery Lookup's AGM jet ski batteries are fully charged and tested prior to shipping.

What type of watercraft battery do I Need?

Conventional flooded - This is the more traditional type of watercraft battery, and provides reliable power for starting and applications. Fully sealed AGM - Crafted for long-lasting power, AGM batteries offer the durability you need for on-the-water adventures.
