

What powers and responsibilities does the Senate have?

The United States Senate, one of the two chambers of Congress, has specific powers and responsibilities outlined in the U.S. Constitution and other federal laws. Here are the key powers and responsibilities of the U.S. Senate: The Senate shares the responsibility with the House of Representatives for making federal laws.

What power does the Senate have to impeach a president?

The Constitution grants the Senate the sole power to try impeachments of federal officials, including the President of the United States. Impeachment is the process by which an official is charged with misconduct while in office, and the Senate serves as the court for trying these charges.

How does the Senate balance the power of the President?

The Senate balances the power of the President in several ways. One key example is the requirement for a two-thirds vote to ratify treaties and agreements negotiated by the President with other nations.

What judicial powers does the Senate have?

The Senate's judicial powers are primarily exercised through its role in impeachment proceedings and the confirmation of federal judges. While the House of Representatives has the sole power to impeach federal officials, the Senate has the exclusive authority to conduct impeachment trials.

When is the Senate's power to try impeachments sole?

The Senate shall have the sole Power to try all Impeachments. When sitting for that Purpose, they shall be on Oath or Affirmation. The Senate shall choose their other Officers, and also a President pro tempore, in the Absence of the Vice President, or when he shall exercise the Office of President of the United States.

What does the Senate do?

The Senate has several key functions, the first of which is to legislate. In relation to that duty and its budgetary authority, it also, with the House, oversees the executive branch and federal agencies. In addition, it is uniquely and solely responsible for impeachment trials, presidential appointment confirmations, and treaty ratifications.
