Where can you use solid perfume?

Solid perfume is more acceptable and discreet to use in public. Whether you are rushing to and from work, getting ready for the party, re-touching after the gym, or getting ready to party, solid perfume is the way to go.

Do perfume bottles have a container?

Perfume must have a vessel to house it and since ancient times perfume bottles have been considered an art form. The container that held the perfume was considered as valuable as the perfume itself. Through the ages, perfume containers and vessels have come in a variety of materials, shapes and sizes and differ from culture to culture.
