

Which company manufactures Growatt inverters?

Growatt is one of the largest manufacturers of inverters around the world today. They produce a myriad of inverters and energy storage solutions.

Do Growatt Inverters come with a warranty?

Additionally, all Growatt inverters less than 50kW come with a 10 year UK product warranty as standard. Warranty claims can be made here. Growatt has created a non-public Facebook group for installers in UK to share thoughts and ask technical questions. Installers can join this group here.

What is Growatt's 'Solar + Storage' solution?

Growatt's 'Solar + Storage' package solution is a versatile application that caters to various needs, including residential energy storage systems (ESS), micro-grids, portable power supplies, and more. It can be used for new installations and retrofits.

Who is Growatt?

Growatt is a global leading distributed energy solution provider.

What is Growatt's Smart EV charger?

Growatt's Smart EV charger is a versatile charging solution for both residential and commercial use. It offers capacities ranging from 3-22kW AC and 20/40kW DC. With the GroHome system and PV linkage charge mode, users can remotely control and charge their EVs with 100% clean power.

Does Growatt sell to the UK?

Growatt has created a non-public Facebook group for installers in UK to share thoughts and ask technical questions. Installers can join this group here. We are only authorised to sell Growatt products into the UK market. For overseas enquiries, please contact us.
